God's Way That's Been Made For Us

[52-0900, God's Way That's Been Made For Us, Branham Tabernacle, Jeffersonville,
IN, 62 min]

L-1 Together now, hold it up, real big now.

*Amazing grace! how sweet the sound,
That saved a wretch like me!
I once was lost, but now I'm found,
Was blind, but now I see.*

Let's bow our heads now. Our heavenly Father, we thank Thee for the great privilege that we have to come to Thee. First, we cannot come except by Christ. So therefore, we place His Name ahead of our prayer. And then we know by His Word, that You will answer it, for we ask in His Name. No righteousness of our own, nothing that we possess that we could do; but by grace alone we come, asking in Christ's Name. [\[John 6:44\]](#)

Father, there may be many men and women in here, around this building tonight, who are sinners. Thou didst die for the sinner. May this be the night that God will speak to their heart and call them by His grace into the Kingdom. Grant it, Father. Maybe they've wasted a many a year, wandering around in sin, but may this be the hour.

L-2 Thank You, Lord, for Billy Paul tonight, my poor, little, motherless boy, tossed about. Thank you, Lord, for giving him the Holy Spirit as the assurance now, some glorious day we'll see mommy again, all things will be all right. O God, let the Angels let her know today. She cried so at her death, that, "Serve God... someday Billy Paul would be a man and receive the Holy Ghost." Prayers are answered. God, bless the boy now. May he follow along in the footsteps of the Master. How his little voice was trembling when he said, "Daddy, I've just received the Holy Ghost. I'm so happy." [\[Acts 2:37-38\]](#)

God, may that be the experience of--of every unborn again person here tonight. May they receive the Holy Ghost tonight. We've did any sin, forgive us, Lord. Heal the sick. Bind up the brokenhearted.

And now, Lord, I don't even know where to start to speak tonight, but Thou will provide. I believe Thee, and I ask that You'll give us something that would help the people, for we ask it in His Name. Amen.

L-3 Just for a little Scripture reading here, in Isaiah 35 I wish to read. 'Cause my words will fail; God's Word will never fail. Therefore, no--no service is complete without first the reading of the Scripture.

The wilderness... the solitary places shall be glad for them; and the desert shall rejoice, and blossom as the rose.

It shall blossom abundantly, and rejoice even in the joy... singing: and glory shall come to Lebanon shall... give unto it, the excellency of Carmel and Sharon, they shall see the glory of the LORD, and the excellency of our God. Strengthen ye the weak hands, and confirm the feeble knees.

Say unto them that are of... fearful heart, Be strong, fear not: behold, your God will come with vengeance, even God with... recompence; he will come and save you.

... he will open,... the ears of the deaf shall be unstopped. Then shall the lame man leap as a hart, and the tongue of the dumb shall sing: for in the wilderness shall the waters break out, and streams in the desert.

And the parched ground shall become a pool, and a thirsty land springs of water: in the habitation of dragons, where each lay, shall be grass and reeds and rushes.

And an highway shall be there, and a way,... of holiness; the unclean shall not pass over it; but it shall be for those: the wayfaring men, though fools, shall not err therein.

No lion shall be there, nor any ravenous beast shall go... thereon, it shall not be found there; but the redeemed

shall walk there in:

And the ransomed of the LORD shall return, and come to Zion with songs and everlasting joy upon their heads: they shall obtain joy and gladness, and sorrow and sighing shall flee away. *[Isaiah 35:1-10]*

L-4 May the Lord add His blessings to the read--reading of His Word. I want to speak tonight, if God willing, just a few moments to you. I will watch my watch here, that I don't keep you too long tonight.

L-5 After through the services of this week, trying to show people that there's no need of being scared. The worse thing the devil can put upon you is fear. If you even had a cancer and didn't fear, and believed God would heal you, you wouldn't be in too bad a shape. God take care of that; if you were sick, whatever it is, if you didn't fear... So fear is one of the worst things that Satan can place upon the person. *[Genesis 15:1], [Genesis 26:24], [Genesis 46:3], [Exodus 20:20], [Deuteronomy 31:6, 8], [Joshua 8:1], [Isaiah 35:4], [Matthew 28:5], [Luke 8:50], [Luke 12:27, 38], [Revelation 1:17]*

Now, this week I've tried to prove by the Scripture, that the man that's born again of the Kingdom of God has nothing to fear. You're absolutely safely secure in Jesus Christ. "All the Father has given Me," He said, "will come to Me. No man can come 'less the Father calls. The Father has got to lead him up to Me; and he that comes to Me, I will in no wise cast out. And all the... No man can pluck them out of My Father's hand; no man is greater than He is. He that heareth My words and believeth on Him that sent Me, hath Everlasting Life; shall not come into condemnation, but has passed from Life... from death unto Life. He that eats My flesh and drinks My blood hath," not will have, "but hath (present tense) Everlasting Life, and I will raise him up at the last day." *[John 6:37-40, 54], [John 5:24]*

"Wherefore grieve not the Holy Spirit of God whereby you're sealed until the day of your redemption." There you are. "Sealed away until the day of your redemption." Not just from one revival to another, but till the day of your redemption. *[Ephesians 4:30]*

to come to the Jordan, "Spread out of my way." And scream, "Give away, Jordan. Crossing over." Lord, push the lifeboat by me then. Receive me, will You, Lord? Receive me then, will You, Lord? Not only me, but every one in here, may be received at that time, will You, Lord? Grant it. Since then, there'd be many of us cross, and go back to the paradise and then live forever. *[Psalms 23:4]*

Father, if there is that man or woman here tonight that doesn't know You, don't know what the value is all about, never been born again, never found God's provided way, may they find it just now, as we pray, through Jesus Christ's Name.

L-92 With your heads bowed, my sinner friend. God bless your heart. Many outside or inside... The Holy Spirit is here. Have you ever accepted God's way out, God's provided way for you? Nothing you could do to merit it. God has provided it for you. Won't you come, receive it? Won't you, tonight? If there's a sinner friend here, raise up your hand, say, "Brother Branham, pray for me. I want God's provided Lamb in my life"?

We haven't got room here for an altar call around the altar. There's no room, so just ask you to raise your hand. Will you do it, a sinner? God bless you, sir. God bless you, sir. And God bless you, sis. God bless you and you. Back in the back again, anybody back there?

Over on my right hand side now? God bless you. God bless you. God bless you. Somebody else would raise their hand, say, "Remember me. O God, give me grace tonight... Your Lamb Life." God bless you, sister. I see you, setting here.

Somebody on the outside, walk up and lay your hands against the screen, and say, "Brother Branham, remember me. I want God's provided way."

that, kept us here till one-thirty, this morning, from about nine-thirty. How He blessed us.

Now, tonight, I want to speak on a... Isaiah said here, "There shall be a highway, and a way of holiness." Now, I want to speak on: "God's way, God's Way That's Been Made For Us." *[Isaiah 35:1-10]*

L-7 Now, if I was going to New York City, the best thing for me to do is not try to find, geographically, how I'm situated and take off north. But the best way to do is get a map and follow the map (is that right?), a highway. If I don't, I get in trouble.

There is no short cuts in God's Kingdom. You know, we try to make a short cut; we get out here in a pond somewhere and mire down. And that's what we do when we get off the grand old highway of God. God's made a path, a way. *[Isaiah 35:1-10]*

L-8 When the children of Israel come out of the land of Egypt, they followed God's path. It led up to the Red Sea. It's strange, that God would lead His path up that way. But His path went right through the sea.

So when it come time, and the showdown, and Israel stood there before the sea, God's path led across the sea. So God looked down through the Pillar of Fire, the sea got scared and moved back, and Israel went across on dry land. God's path led through it.

L-9 Then He went right up to the wilderness into the spring of Marah, "bitter" water. Isn't it strange that God would lead His children through bitter waters? But them all goes along the road. But when He was there, the remedy for the bitter waters was standing on the bank. Moses cut down a tree and throwed it in the water, and turned sweet again.

Some through the waters, some through the flood,
Some through deep trials, but all through the Blood.

That's the way God leads His children: God's path, God's provided way. If the children of Israel would have to try to by-pass, and go around, down this way, they'd have got in trouble. They had to follow the Cloud of Fire, the Pillar of Fire that led them. They followed That. And if the Church tonight, will only follow the Pillar of Fire, the Holy

Spirit, you'll make Canaan as sure as anything. God has a way, a provided way. [\[Exodus 13:21-22\]](#)

L-10 There's two ways a man can go: and that's his way or God's way, and that's the right way or the wrong way. And your way is always the wrong way, and God's way is the right way. And you can't be in your own way and in God's way at the same time, so you got to get out of your own way so God can have His way in you. That's right. God makes a provided way.

Man has always wanted to make his own way. In the garden of Eden, God made a man so he didn't have to shift for nothing. God made him perfect, but man wanted his own way. He wanted to tamper. He wanted to find out. And then as soon as he fell... We've went through that this week, in the studies of the Scripture. He made himself a religion. He didn't wait for God to make him one. He made one hisself, but he found out that his religion, his covering, wouldn't work. That's always been man. He wants his own way. But God had a way. So man made fig leaves and put them over him, him and his wife, but when he come down to face God, he found out that wouldn't work. [\[Genesis 3:1-21\]](#)

And I tell you, friends, there's been a many a man, and is tonight, that's coming down to the end of the road, will find out that that little shallow religion that you're holding onto won't work. Nothing short of being borned again will work. Jesus said, "Except a man be born of water and Spirit, he will in no wise enter into the Kingdom." No wise, no matter if he's Methodist, Baptist, Presbyterian, whatever he is, he will not enter in until he's born of water and Spirit. "Born" means he's "changed." He has to die before he can be born. So you got to die to yourself, be reborn again in Christ Jesus. That's right. [\[John 3:1-16\]](#), [\[Acts 2:37-39\]](#)

L-11 Now, I want you to notice, he found himself trying to make his way. We had, this morning, how Cain tried to make his way. He brought down some apples, and pears, and peaches, and pumpkins, ever what it was, laid it upon the altar and said, "Now, there, Lord, I built an altar. I built a church. I'm a good church member." See? "I go to church every day. I come here, built the altar. I put the sacrifice

the Son of man." A preparation time, a time when a place to be prepared for those who wanted to escape the wrath. I pray, God, that right now, that that Lamb of God that was provided for the blind man's eyes, or the woman with the blood issue, to stop the blood issue, the Lamb that was provided for dead Lazarus... God, have mercy. [\[Luke 17:30\]](#)

When I think about it, that's the same Lamb was provided for my blind eyes, one day when Mayo Brothers told me, three years ago, I didn't have a hope of ever being well again. God provided a Lamb.

L-89 When You sent Your Angel down yonder at Green's Mill, and said, "Go, do this," how could I do it before a great world of atheists and unbelievers? But God provided a Lamb.

God, my poor little church here, Lord, as I look at it... And I think of many thousands of miles across the seas, and frozen plains and icebergs. How I've set there many time in a lonely room, praying, think about the times that won't come by here and shake my hand... The old sawdust spread on the floor, the windows shaking when the wind blowed...

L-90 I think of bringing my own darling wife, and laying her down here at the foot of the cross, preaching her funeral, remember seeing my little baby, Lord, that's laid on her arm.

I remember poor little Billy Paul, that You filled with the Holy Ghost a few hours ago, coming down to her grave there that morning, to put an Easter flower on it, and he started crying; I put my arm around the little fellow and said, "God has provided a Lamb, a sin offering. Someday this little grave will open; mommy will come out; so will little sister. God has a provided Lamb."

L-91 Some of these days, God, when my last sermon's preached; might lay me out in a room, and I'd feel the pulse coming up my sleeve, the cold death tide's floating into my room, as the window's open, the curtains blowing, shove out the lifeboat then, Lord. I will take my last ride. I will just spread the sheet. Lid will close down, and the sheet will be covering me.

I want to walk down through the valley of the shadow of death. I want

The next day he went back to the priest, offered up the two turtledoves for a sacrifice. Then he had nothing but the lamb. [\[Mark 10:46-52\]](#)

L-86 Not long after that, his little girl got sick. The doctors could do nothing for her. He said, "Lord, I only got one thing left," and said, "that's the lamb. But if You'll let my little girl, who I've never seen, if You'll only let her get well, then I will give You my lamb for a sacrifice." Then the Lord healed his little girl.

A few days after that, he started up the street, that lamb leading him. And Caiaphas, the high priest, come, said, "Blind Bartimaeus, where goest thou?"

He said, "I go, oh, high priest, to the temple. The lamb is leading me to the temple to offer the lamb for a sacrifice."

"Oh," he said, "you can't do that."

Said, "Yes," Bartimaeus.

Said, "Here, I will give you the price of a lamb. You go buy one."

He said, "I never promised God a lamb. I promised Him this lamb, this lamb."

Said, "Blind Bartimaeus, thou cannot take that lamb. That lamb is your eyes. You can't see without that lamb. That lamb leads you. That's your eyes, blind Bartimaeus. You can't offer that lamb."

Said, the old man trembled a little bit and said, "O high priest, God will provide a lamb for blind Bartimaeus' eyes." God bless his heart. When he heard that coming by; God had provided a lamb. There He is. [\[Mark 10:46-52\]](#)

L-87 He's God's provided Lamb tonight. He's the Lamb provided for our eyes, your spiritual eyes. He's the Lamb provided for your soul. He's the Lamb provided for your escape of hell. He's the Lamb provided for your glory in heaven.

Won't you receive Him, while we pray, while we bow our heads?

L-88 O Lord God, Creator of heavens and earth, Author of Everlasting Life, Giver of every good gift, send Thy blessings upon this people. These poor little things, they have prepared remarks, Lord. But I know that You have a provided way.

You said, "As it was in the days of Noah, so will it be in the coming of

upon it. Now I'm going to kneel down and pray. And now, Lord, I want You to receive me." But God refused him.

And that same old religious spirit lives right down amongst the church today, the very same thing, just as religious as it can be, and knows no more about God than the Hottentot would know about Egyptian knight. You know that's the truth: religious spirits. Don't think that Stalin is the antichrist. The Bible said the two spirits would be so close together deceive the very Elect if possible. [\[Genesis 4:1-15\]](#)

L-12 We find out that Judas Iscariot come right down, and went out and rejoiced and preached the Gospel, come back, hollering and shouting, and having a big time with the rest the disciples. Saint Matthew, the 10th chapter. But he followed the disciples right along, yet the incarnated devil, and come right along; as Jesus was the incarnated God; the Cain and the Abel from the garden of Eden. But when it come time for him to go up to Pentecost and get the blessing, he showed his color.

And when you go to talking about being born again, receiving the baptism of the Holy Ghost, nine times out of every ten, them spirits will show their colors, what they are. They'll say, "That's a bunch of fanaticism. Leave it away." Brother, it's God's provided way for man today. Hallelujah. [\[Genesis 4:1-15\]](#), [\[Matthew 26:14-16\]](#)

L-13 Look, God has always made a provided way. God's under obligation to make a way. God makes a way for nature. Why do we have these big floods through the country? You cut off all the timbers and things like that, let her wash down. You build up a dam down here and fills up the riverbed; there she goes, the water. You interfere with nature. God had a provided way. That's what causes the flood. Anything that man tampers into, that God has made perfect, then you imperfect it. That's right.

L-14 Now, just like, for instance, like the--the ducks. I like to watch the ducks, of seasons when I go hunting up in the mountain. I'd be up there in the fall of the year. Well, there the ducks all come out of Louisiana and down there, and down in the swamps. And go up north and they settle down, make a nest and raise their little ducklings. Then

the little fellows raise up, maybe come along about September, this time of year, or late September. And then the little old duck, little drake, he's never been off that pond. He's just right there in a pond.

After while the frost flies up there on the mountain. A little snow hits up there, and a cold breeze blows down across that mountain. That little old duck feels that. Now, he's never been nowhere but on that pond, he ain't a year old yet. He sticks his head up in the air, a little honker, and run out in the middle of the pond, and go "honk-honk," every duck on the pond will come to him. Every duck on the pond knows that he's a born leader. And that little old duck will rise off that pond, without a compass or anything else, and go just as straight to Louisiana, to the rice fields, as he can go.

L-15 Looks like Christians ought to have duck sense, anyhow. Doesn't it? That's right. Right.

Why? You say, "It's instinct." No, they go God's provided way. God give them a way, an instinct to lead them down there, and they believe it.

But God give man the Holy Ghost, and he rejects It, he wants his own way. But God has a provided way for us. Hallelujah. I feel kind of religious tonight, after this, and a few nights of revival.

Notice, there it is. Yes, sir. That little duck will go down there.

L-16 And I will tell you something else. You'd go out here, and a newspaper say, "Tomorrow it's going to be pretty weather," and you'd go hunting and watch them rabbits go to settling down in that grass. Don't you be interested in them newspapers.

You watch that old sow take the shucks off of the north side of the hill and take them over yonder, south side of the hill, and make her a--a bed over on the south side of the hill. She knows more about it than all the newspaper commentators in the world. Right. She's got an instinct. She's getting around on the south side, to hide that cold north wind coming down. [Brother Branham knocks on the pulpit several times--Ed.] Oh, my.

L-17 If a hog's got sense enough to hide from the breeze, what about you with the Holy Ghost? Hallelujah. That's your instinct. Yes, sir.

from their house, saying, "Jairus, don't weary the Master, because she's already dead." Oh, oh, my. I can see his little heart jump in him, like that.

I can see those lovely, tender eyes of Jesus roll over to him, say, "Didn't I say, 'Fear not, and thou shall see the glory of God'?" He's God's provided Way. [[Mark 5:21-24, 35-43](#)], [[Luke 8:40-42, 49-56](#)]

L-84 There was an old man by the name of blind Bartimaeus, set at the gates one day, begging for alms. It was getting cold weather, about October. He heard a noise coming down the street. "What is that?"

"Why," he said, "that's Jesus of Nazareth."

He never watched... He pulled off His robe. He never laid it down, and fold it up so, you know, he could blindly find his way back to it. He threw his robe aside. God had provided a Way, and he was after it. He had run down here.

Some...?... say, "Set down. Set down. He ain't got no time to fool with you."

He screamed the much the louder, "Jesus, Son of David, have mercy on me. Have mercy on me." He was pressing through. "Have mercy on me. I know You're God's provided Way for my eyes. O Lord, have mercy on me." That's right. [[Mark 10:46-52](#)]

L-85 I read the history of blind Bartimaeus one day, a little story. They said that he had been blind for years. He had a little daughter he'd never seen. One night... And he used to go up there and set at the street. He had a little lamb. The lambs used to lead the blind people like the dogs does today; the dogs lead the blind man. They had a lamb trained to lead the blind. And then one said, one day, that...

He had two little turtledoves, and they would do little tumbles, like that, to attract the tourists' attention, going into Jerusalem, or into the--the city, and they would drop coins in his cup. He was blind.

So one night his wife got real sick, so he went to the Lord. He said, "Lord, I haven't got nothing. I'm a poor man. I'm a blind man. I haven't got nothing to give You. But I believe You, Lord. And if You'll just have mercy and let my poor wife live, tomorrow I will give You my turtledove for a sacrifice." The Lord healed his wife that night.

right.), just afraid. Oh, God take the wishbone out of you and put a backbone in you.

I like what Buddy Robinson's testimony is. He said, "Lord, give me the backbone the size of a saw log. Put plenty of noise in the gable end of my soul. And let me fight the devil as long as I got one tooth left, and then gum him till I die." I like that. That's right. He said, "I had an old coon dog. She died, old. She fought coons till she didn't have one tooth left, then she just gum them coons, and squeal." I like that. Right. Hallelujah.

L-80 You say, "Brother Branham, I hardly got very much education. I'm too small. The preachers will turn me down."

Let's just go back to the story. "It ain't the size of the dog in the fight; it's the size of the fight in the dog." That's what it is today. Stand up there. Find out today though, the dog would stand there.

L-81 Like the old chief said one day, as he was getting ready to go.

Said, "How you getting along, chief?"

Said, "...?..." Said, "There's two dogs in me. One's black and one's white. The black one wants me to do wrong, and the white one wants me to do right." Said, "They're always fighting and quarreling."

I said, "Which one wins, chief?"

Said, "Depends on which one chief feeds the most."

L-82 And that's about right, too. Yes, sir. All right, brother. I'm telling you, what the world needs tonight is a good old shaking.

L-83 Jairus said, "Now wait a minute." The daughter got real sick. The only hope there was, to ever get her, was to go to Jesus. She... They took off for Jesus.

While he was on the road... I see him come up there. And the woman just got healed with the blood issue. Here he goes on, he said, "My daughter is laying now... I don't care what the priest says, what anybody says. Will You come, lay Your hands on her? I believe You're God's provided Way for her healing. Will you come, lay Your hands on her, she'd get well?"

Said, "I will go."

Here he starts, going on. The first thing you know, here run a man

And God gave them an instinct. It's God's provided way for them. They live in God's provided way.

You take a flower, when he dies, he goes down in the ground. Not the end of him, he lives again. God made a provided way for him, and he believes in it.

L-18 God always has made a provided way. Sometimes it don't lead through pleasant things; sometimes it goes through the hardships; but it's God's provided way. God makes it anyhow.

One time He had a man in God's provided way, he had to go in, through a lions' den, but he went God's provided way. God brought him back out again. Hallelujah.

L-19 I can see some Hebrew children setting down there in Babylon one morning. They refused to bow to an idol. That's right. They said, "We won't do it. Beat all the music you want to, and sound your cornets and trumpets, but we'll not bow down to your idol." Hallelujah.

Give us some more Shadrach, Meshach, and Abednegos (yes, sir), that'll not bow down to your worldly stuff. We don't have to knuck' down to it. God has made us free by the Holy Spirit. Hallelujah. Yes, sir. [\[Daniel 3:1-30\]](#)

L-20 Now, I can see down there, one morning. Let's--let's--let's turn our cameras down that way a minute, and watch and see. I can see them boys down there, one morning. They said, "Now look, the king said, 'Everybody that don't bow down, we're going to throw him in the fiery furnace.'"

And they went and prayed through, one night. The next day, when the sound come that they'd bow before the image, why, they turned their back to it.

So he come around, said, "Boys, did you do that?"

"Yeah."

"Well, we'll heat the furnace up, seven times hotter than it ever was." [\[Daniel 3:1-30\]](#)

L-21 Now, isn't that strange? There was a gangplank laying out here, going up to the mouth of the furnace.

All over Babylon was red that morning, the fire roaring. I can see King Nebuchadnezzar, as a modern man today, he set out there and said, "Now, we'll just burn all of that Holy Ghost religion out of them guys."

Oh, yeah, don't you think the devil won't burn you. He sure will. But remember, the Holy Ghost is Fire Itself. [\[Daniel 3:1-30\]](#)

L-22 Now, want you to watch. God's way led right up that gangplank. I can see Shadrach, Meshach, Abednego, walking the death march. I can hear Shadrach say, "Abednego, did you pray through?"

"Yep."

"All right, then."

"Are you sure you're in God's way?"

"Yes, sir. And God said in His Word for us not to bow to idols, and we won't do it. God is able to deliver us from this fiery furnace. But if He don't, what of it. We're not going to bow down. We're going God's provided way."

I can hear somebody say, "Are you sure you got His provided way?"

"Yes." Hallelujah.

Some say, "Well, don't you think all them people possibly could be right, instead of you?"

"No, sir. The Bible said so, and we're staying with It." Right up that gangplank they go. I can... The heat just so... The intense heat was almost... It did kill the men that brought them up. [\[Daniel 3:1-30\]](#)

L-23 They just about ready to step in. God hadn't said a word. They're still walking the provided way. Walked right up to the mouth of the furnace. Just about time they got ready to step into the fiery furnace... You know, I got an awful black picture here in front of me just now. Men that tries to live true to God, walk in God's provided way, fixing to be burnt up, what a picture... [\[Daniel 3:1-30\]](#)

L-24 Notice, all the time there is something going on down here, there is something going on up there, the same time. Let's look up there a little bit and see what goes on. I can see Him sitting there, and His princely robes around Him. Hallelujah. I can see, the first thing, coming from the right, a great big angel, called Michael. They got one

[49-56](#), [\[II Corinthians 6:14\]](#)

L-76 Well, the Bible said, "These signs shall follow them that believe. In My Name they shall cast out devils, speak with new tongues, take up serpents, drink deadly things; they lay hands on the sick, they shall recover." You preach that in half the churches today, they'd kick you out the door. That's right. That's right. Don't know God's provided way, but that's what He said. That's what Jesus said. Do you believe it? Yes, sir.

And then if He said so, "Amen, I believe it." I think It's the Truth, and I'm walking His way, what He said do. And He's confirming It with signs, wonders, following. That's right.

So the Lord said, "Now, look at that little old fellow down there. I predestinated him to Eternal Life, and there he is with that bunch of unbelievers. So I will fix him up." He just let his daughter get sick.

He said, "Well, I will call in Doctor Doe."

Doctor Doe looked her over. He said, "Pulse is getting low, Jairus. Tell you what we better do; we better do this, that." And he gave her all the drugs, and so forth. She went right on, dying.

Then he said, "I--I wonder if God has got a provided way?" Oh, my.

I can see him reach up and get a hold of a zigzag lightning and crack it across the skies, like that; just as they make their last step, walking in God's provided way. And about the time they hit in there, He passed by the Sea of Life and picked up a palm, and He was standing down there fanning the breeze off of them. Hallelujah. L-27 One time there was an old "quack" preacher, an old holiness preacher back yonder, a long time ago, by the name of Noah. He said, "You know, it's going to rain, going to come a storm."

I can hear the people go around and say, "Say, do you hear that old holy-roller up there? He said, 'It's going to rain.' Why, it never rained upon the earth. And it's going to rain? How, where'd that water come from? Well, let's go get the science out and find out if there's any water up there. Why, no, there's no water up there. What's the matter? That old preacher is off at his head."

But God said so. God said, "Prepare an ark, Noah, for the saving of your household, for the saving of the people." And Noah just had sense enough to do it. That's all. He come and prepared the ark.

[\[Genesis 6:13-22\]](#)

L-28 And one day, I hear some of them down on the corner, talking, down at the business corner. Some of them say, "Hey, what about that rain story up there, that old "quack" preacher talking about it's going to rain up there? Did you ever hear of such a thing? And he thinks he's in God's provided way." He was. Amen.

The first thing you know, there come a thundering and a lightning. I can see the old, big, old mammy camel out there, look up and say, "Papa Camel, do you hear what that was? That was thunder. That's what Noah said. Let's get to the ark." Down across the hill they went. And here come papa horse and mama horse, and all the rest of the pairs, right into the ark, one by one. God closed the door, sent the rain. Noah was in God's provided way.

Some of them got on logs, said, "I will float through." But I will tell you, when the storms begin to rage, the ark went up. Hallelujah. Why, they were in God's provided way. Some of them said, "Now, wait a minute, sister. If you eat meat, you can't do it." She was going God's provided way.

L-71 I think of David of old. Hallelujah. Yes, sir. When he said there... Where he talked about... He said, "Taste and see the Lord is good. It tastes like honey in the rock." A little old description I used to use, thinking about an old scrip they used to carry on their side here, a little sack that they put honey in, the old shepherds did. And when the sick would give... the sheep would all get sick, they'd take off some of the honey out of the scrip bag and put it on a limestone rock, and call the sick sheep, and let that sick sheep go to licking on that rock. And when they go to licking the honey off of the rock, he went and licked some of the limestone in while licking the honey. And you know what happened? The sick sheep got well. [\[Psalms 34:8\]](#)

Don't pay no attention to what your church says. Pay attention to Christ. Follow Him, for in Him, He is the Church. I see, go God's provided way. You see a woman with a lot of paint on her face, you know what you can call her? Say, "Hello, Miss dog meat." That's what she is, like dog meat. Oh, my. Listen, brother, I just turned back from Africa. That stuff come from the strain of heathenism. The heathens paint themselves.

And the first thing you know, all the waters dried up. There's no water to drink down in--in the land. But every time Elijah wanted a drink, he just stooped down to the brook Cherith and drank. Then when he got hungry, here come a raven by with a sandwich in his mouth, said, "Here you are, Elijah."

You say, "Where did the raven get...? You mean you believe that, Brother Branham?" Yes, sir. Yes, sir. "You mean that a crow brought Elijah something to eat for three years and six months?" L-53 A woman told me not long ago, a very good woman, a Christian Science, who didn't believe that Jesus was the... and Deity. She believed He was a prophet. She believed that He was a good Man, but He was not--He wasn't a virgin born. They deny the virgin birth.

L-54 Not only that, but a survey showed that eighty-five percent of the Protestant preachers of the United States claim that the virgin birth was a fake. Right. I could easily do that, I could easily think that by the way you live it. That's exactly the truth, believed it was a fake. And a greater percent than that didn't believe that Jesus would visibly return again. No wonder we need a revival.

Brother, listen here. You hear so much about revival today. We never had a revival.

L-55 I followed up another man, here not long ago, where they talk about a lot of this. Said, "He went to one city and he had five thousand conversions." We followed right behind it (not me), a group of ministers, and took the cards and followed them back again, and in thirty days time they couldn't find thirty that claimed to be saved. You know what I think? I think it's conviction instead of conversion. When a man is born again of the Spirit of God...

What we need today is not a protractive meeting, but an old fashion, God-sent, Holy Ghost revival: an old-time, sky-blue, sin-killing, Blood-washed religion. Amen. Makes you take them tire tools back and do repentance. That's right. [\[Acts 2:37-39\]](#)

L-56 She said then. She said, "Well, looky here, Brother Branham, I can prove to you that He wasn't nothing but a man."

I said, "Do it. If you can prove to me that He wasn't God, then I will

Brought the hoecake out and give it to the preacher; he stood there and eat. Said, "Now, go back and get one for yourself and your son--son. For, THUS SAITH THE LORD, the barrel is not going to run empty, or the cruse dry, until the day that God sends rain on the earth." Hallelujah.

What? Because she sought the Kingdom of God first, 'cause she walked in God's provided way; God rewarded her. Do you believe that? [Congregation says, "Amen"--Ed.] Yes, sir. [\[1 Kings 17:7-16\]](#)

L-43 There was a woman one time who lost her brother. His name was Lazarus. Oh, he was a good boy; she hated to give him up. And he died. She sent for her Pastor, or the Evangelist, which was Jesus. She had come out of the church, and she had give up all they had. And she sent for Jesus to come, pray, and He just went on. Sent again, and He just went on. He said, "I do nothing till the Father shows Me." The Father had already showed Him Lazarus was going to die.

He come, after while, after about three or four days. He said, "Lazarus is dead, and for your sake I'm glad I wasn't there. But I go wake him." So then she heard Jesus was coming, so she went out to meet Him. [\[John 11:1-15\]](#)

L-44 That was God's provided way, go meet Jesus. That's right, always. When you got sorrow in your home, go meet Jesus. Got sickness in your home, go meet Jesus. Got heartaches in your home, go meet Jesus. Hallelujah. If you got a need for anything, go meet Jesus. Go meet Him. He's got all the remedy, everything there. He ain't got the remedy. He's got the cure. Amen. Then she went to meet Him, and she fell down at His feet. [\[John 11:1-23\]](#)

L-45 And she had read a story, one time, where there was a woman way back in the Bible, and a Shunammite. She was very mindful of a preacher by the name of Elisha. So she made a little chamber on the side of her house there, put a bed and a candle and a stool, so forth. And Elisha come by and he seen all this goodness she had done for the preacher, paid her tithes and everything, you know. So he said, "Go and ask, see what we can do, if I shall speak to the king or to the chief captain."

She said, "I abide with my people and everything's all right."

Said, "All right, go ask her what can I do."

Gehazi said, "She's barren. She has no children."

Said, "Go tell her, THUS SAITH THE LORD, 'About this time of the year, according to life, that she'll receive a son.'" And she did. [\[II Kings 4:8-37\]](#)

L-46 The kid got to be about eleven or twelve years old. One day, about noontime, he was out in the field with his daddy. I believe he got a sun stroke. He begin to holler, "My head. My head." He sent one of the servants in with the baby, the little boy, set him on his mother's lap. At noon he died.

What an appropriate place. She took him up and laid him on the preacher's bed, where the prophet had laid. Good place to go. Laid right on the preacher's bed.

She said, "Saddle me a mule now and go forward, and don't stop your riding until I bid you." [\[II Kings 4:8-37\]](#)

L-47 I like that. Go forward and don't stop. Just keep going. That's right.

The trouble of it is, we stop and talk to too many people. We stop for too many social parties. We have so much sew-and-sew, and organize a stitching party, you know, "Stitch-and-sew and talk about Miss So-and-so." You know how it is. All these different things come into the church, when you ought to throw all that gully-wash out, and have an old fashion, God-sent revival. Pray through, till you've bashed heavens down and the Holy Ghost comes like a rushing mighty wind and fills the place and the people. Amen. That's what we need.

She said, "Don't you stop." , [\[II Kings 4:8-37\]](#)

L-48 And her husband said, "The man's not at Carmel." Said, "This is neither new moon or sabbath."

She said, "All is well." She wanted to get to the prophet. So she went straight on.

Elisha looked out and said, "Here comes that Shunammite. Something's wrong with her; I don't know what it is."

She run up. And he said, "Is all well with thee and thy husband, thy

child?"

She said, "All is well." I like that. She's taking God's provided way.

Said, "Everything's all right now." And then she begin to reveal it.

He told Elisha, said, "Go, take my staff and lay it..." Or, told Gehazi, "Go take my staff and lay it on the child."

But she said, "I'm not going to leave you." So the prophet came back over, prayed, walked up-and-down the room, laid his body upon the dead child, and it come to life. [\[II Kings 4:8-37\]](#)

L-49 The woman, Martha, knew that the Shunammite realized that God was in His prophet. And if God was in His prophet, surely God was in His Son. So if she could get to Jesus, she'd have the remedy. So she runs and falls down before Him. She said, "Lord, if..." That's what He was. "Lord, if Thou would've been here, my brother would not died. But even now, whatever You ask God, God will do it." Oh, I like that. "Even now, whatever you ask God, God will do it." [\[II Kings 4:8-37\]](#), [\[John 11:1-25\]](#)

L-50 That's good tonight. You say, "I'm a sinner, Brother Branham." Even now, whatever you ask God, God will do it. "Have mercy on me, a sinner," He will do it. If you're sick, "Have mercy on me, Lord," and He will do it, even now. You say, "The doctor give me up; but, "even now, Lord." I haven't walked in five years; but, "even now, Lord." I haven't heard nothing, for I don't know when; "even now, Lord." I haven't spoke a word, in I can't tell you when, but, "even now, Lord, whatever You ask God..." and He's setting at the right hand of the Father, making intercessions upon your profession. Hallelujah. Said, "Even now, whatever you ask God, God will do it." [\[John 11:20-30\]](#)

L-51 He straightened His little Self up, said, "Thy brother shall rise again."

Said, "Oh, yes, Lord, in the general resurrection in the last day, he will rise again."

He said, "I am the Resurrection and Life." Oh, my.

The Bible said, "There's no beauty to look at Him, little frail-looking Fellow." But He said... When He straightened Hissself up, there was God. [\[John 11:20-35\]](#)
