L-56 ... great Physician now is near,
the sympathizing Jesus.

He speaks the drooping heart to cheer.

Oh, breathe on us, Holy Spirit. Come into Your church, Lord Jesus, the great Morning Star, the Pillar of Fire. Burn Your way through every unbelief into the hearts of the people tonight. May they be like Mary, that they can see Your presence and know it's You, then Your promises are still good, every promise. You promised to do this. Your promise was that You'd already healed them, for You was wounded for their transgressions, "with the stripes you were healed." Grant it, Father, to this waiting audience. We're waiting on You now. Move, in Christ's name, I pray.

Just watching for a few moments to see what will take place. Oh, how sweet. Let's raise our heads real easy now. I was waiting for you to get quiet. How many people in here that's sick and doesn't have a prayer card? Raise up your hands for God to heal you. A confirmation is three, I believe. Is that right, in the Bible? If I have told the truth, preached the truth, then God's obligated to back that truth up, if that's His truth. [\[Isaiah 53:5\]](#), [\[1 Peter 2:24\]](#)

L-57 Now, we got a bunch of prayer cards in here. We're not calling them. I just want you to know that it doesn't take prayer cards. Ask the ministers if it does. Ask the brothers who go with me everywhere.

We'll be riding down the road, I'll say, "Wait. At another corner there's going to be a certain thing. A man is going to be standing there. He's got a certain thing, and wants me to go to a certain place, a certain thing. We're going over here, and this is going to happen." Sure.. It never fails. It can't fail; it's God Now, what is it doing? Vindicating that He is the same. Now it isn't me: it's Him.

L-58 I don't see a person in front of me that I know, unless it's this two little girls. I believe this is Brother Evan's two girls. Isn't that right? Right here. That's the only ones that I know. I was looking just to see if I could see anybody that I really knew. But only ones I see that I know... I seen Brother Evans somewhere awhile ago, but I've lost him. Oh, yes, here's Brother Dauch, setting right here, form Ohio, Brother Bill Dauch, a friend of mine, setting right here, and Sister Dauch. There's Sister Evans. Now I've got her, right back behind... All right. Right along in there, Brother Evans or Sister Evans. Where's Brother Welch? Setting back there. All right.

So that they'll know who you all are, raise up your hand. Anybody in here knows me, and know I know you, raise up your hand--know that I... know that I know you. All right, see. Now, you that know that I do not know you, and you're sick, raise up your hands. Raise up your hands. Just look and see where it's at. See? About everywhere. All right.

L-59 If the--if Jesus is the same yesterday, today, and forever, the Bible said that in the beginning was the Word and the Word was God. Is that right? And the Word was made flesh. That's when God's Word that He spoke was made flesh.

Do you know the very dirt that you're sitting on is the manifestation of the Word of God? That's God's Word made manifest. If it isn't, where did it come from? He made the world out of things that does not appear. He brings the earth together. Just spoke the Word. Said, "Let there be," and there was. He's a creator. All right. So the chair that you're setting on is the Word of God. This earth that the floor rests on is Word of God. All these things are from the dust of the earth, the Word of God. And you, yourself, are the Word of God. That's right. Then why can't that little heart in there begin to move all the doubt

out of this thing here. Let it be. [\[Hebrews 13:8\]](#), [\[John 1:1, 14\]](#), [\[Genesis 1:3\]](#)

L-60 Now, and the Word of God is sharper than any two-edged sword, piercing to the marrow of the bone and the... sunder of the marrow of the bone; and the Word of God--which is Jesus--is a discerner of the thoughts, into the heart and mind. Is that right?

Now, when the Word was here, and made flesh and dwelt among us in the form of the Son of God, Jesus Christ, a little woman by faith touched His garment one day. He didn't feel it physically, but He turned around and looked, said, "Who touched Me? Who touched Me?"

Even Peter rebuked Him, said, "Lord, everybody is touching You."

He said, "Yeah, but I, I perceived virtue went out of Me. I got weak. My strength left Me." And He said... Looked all around over the audience and He found the little woman, told her her blood issue that she had, her faith had saved her (is that right?) She was healed. He never said, "I did it." She did it herself. See? Said, "Your faith hath saved..." [\[Hebrews 4:12\]](#), [\[John 1:14\]](#), [\[Luke 8:45-46\]](#)

L-61 Now, the Bible said He's the same yesterday, today, and forever. And the Book of Hebrews said that He's the High Priest that can be touched by the feeling of our infirmities. And if He's the same yesterday, today, and forever, if you touch that same High Priest, the same High Priest will act the same way. The way He acted the first time He has to act the second time. If He didn't, He acted wrong when He did it the first time. If He make Himself known as Messiah to the Jews and the Samaritans by perceiving the thoughts in their mind and telling them who they was, or what they was, and so forth like that, or something they had done...?

How many knows that's the truth, that's, that's the Bible truth, that's the way He made Himself known? Well, if that's the way He made it known to the Jews and to the Samaritans, He's got to make it known to the Gentiles, or He made it known wrong to them. See what I mean?

Now, all that believe that, raise up your hand, say, "I believe that He promised it to me." Thank you. That did it. See, remember what the Angel said: "If you can get the people to believe you." See? Not believe me; it's Him, but believe that He sent me to you. Now, you pray and touch the High Priest. And if He will turn me from this platform and speak to you, you let... you be the judge whether it's right or not. You be the judge whether it's right or not. [\[Hebrews 13:8\]](#), [\[Hebrews 4:15\]](#)

L-62 You just say... Now look away from me as a man and say, "Lord Jesus, I'm in need." And don't try to press your way, you don't get nowhere then. Just relax yourself, say, "I believe it, Lord, there's not a doubt in my mind. The man don't know me, and I'm way away from him. I'm out here in the audience (way back in the back, or standing around the ring, or somewhere like that). Now I know I believe You. If You'll just let me touch You, let him turn to me, I'll know that that isn't Brother Branham because he don't know me. Neither does he know who I am, or what I've done, or what I have done, or what I will do. But You know it. So if You'll just let him turn, I know it's You. I'll believe His message then, because You got him under control. See, it's You speaking through him, see."

Would you believe that? How many would believe it if they could see it done with their own eyes...?... Not back in some dark room; right here before the public like our Lord's doing. Don't have... it ain't nothing secretly; it's right out here. it's just to the believers. Now, you just pray.

L-63 I might have been mistaken. I thought it was somewhere right here, but it must not have been. I'll watch it--it's a light. Did this side raise up their hands that they were sick too, and didn't know me? Now, He's right here. You that sees them pictures and things, just think--that mechanical eye of the picture saw it before many people ever saw it... take the picture. If I die tonight, if this is my last day on earth, my testimony is true. The mechanical eye of the camera has proved it seven or eight times in different nations. It's true. The church knows it around the world.

I've told the truth, because I speak of Him. That's the reason I'm not afraid but what He will speak back that I've told the truth, because I'm not testifying of myself; I'm testifying of Him. Now, be real reverent and believe.

Say, "What are you waiting on, Brother Branham?" I'm waiting on Him. If He don't tell me, I can't do it, that's all. It takes your faith to do something. Or maybe He's not pleased with us doing it. How many's got prayer cards then? Anybody got prayer cards? 1, 2, 3, 4, 5, 6, 7, 8, about eight prayer cards left, 9. We'll call then up if He doesn't do it. I like to see it done without prayer cards, so that you see the prayer card has nothing to do with it.

L-64 God, help us tonight. Now, I pray that You'll grant it. I've come here with good faith, come here believing, believing that You would do it. I pray that You'll help me now. Give to me of Your Spirit, Father. Grant it, so it can be for Your glory. I pray in Jesus' name. Amen.

Yes, here it is. Thank You, Lord. Do you believe God will heal you of that hernia, lady? Make you well? All right. Accept it. Raise up your hand. All right. Have you got a prayer card? You don't. You don't need it. I never seen that woman in my life. Are we strangers to one another, sister dear? I don't know you. If that's right, raise up your hand so the audience can see. Was that your trouble? You was setting there praying wasn't you? Now I got a contact of you. You were praying to Jesus, "Let it be me." Is that right? Wave your hand like that. Raise your hand, wave your hand, so they see. Now, how did I know what she was praying about and the words you was saying? Don't you see? It's Christ.

Here, a little lady just moved herself around, setting there now. You want to get over that heart trouble, sister? You don't have to come up here. Just look this way. You want to get over your heart trouble? All right. Raise up your hand, say, "I accept it." All right, go home, your heart trouble's over. Jesus Christ makes you well.

L-65 The little lady setting right behind her, you got female trouble. Stand up if that's right. All right. Have you got a prayer card? You have one. I didn't mean to call you. All right. Go home. You're... You've had... bothered with your eyes; they're going bad, too. Is that right? Wave your hand. Not because you got on glasses, but they're getting worse. All right. They won't no more now. Go home, Jesus Christ makes you well.

Say, do me a favor, will you? That they might know, seeing that you had a card... That lady setting there next to you, she... over on this side over here, suffering there with a goiter, you believe that Jesus Christ will make you well? It's Him...?... But that's all right. Believe, and it'll go away from you. All right.

L-66 Now, if you believe I be a prophet of God, put your hand on the woman next to you, crying there. The Angel of the Lord's over her. She's got trouble with her head. If that's right, stand on your foot lady, the one that just called then. All right. Raise up if that's the truth, the one with the handkerchief in her hand. All right. Jesus Christ makes you will. Go home, be healed.

Do you believe Him? Now, is that Angel Scriptural? Here, way back here, there He is way back here, way back. There's a man and his wife. The wife has diabetes, the man has arthritis. Oh, if I could just make them understand. God, help me. Mr. and Mrs. Wilkerson, stand up on your feet. Jesus Christ makes you well. Go home and be well. Christ makes you well.

Do you have a prayer card? You don't? You don't have one, you don't need one. While you're standing on your feet, listen to this, friends. I do not know you at all, do I? If I don't know you, shake your hands back and forth. See, I don't know you. You was setting there praying. Is that right? Something's happened to you. Is that right? All right. Is that what your trouble was? Is that what your name was? All that He said is right? Wave your hand back like this if it's right" Wave your hand. All right. There you are. Go home, Jesus Christ makes you well.

What did they touch? Do you believe the Angel that's before us, is the Angel of God? It's not me. I don't know them people. I'm testifying; they're testifying, we don't know one another so it has to be the Angel of the Lord. And He's doing the very Scriptural things that Jesus said He would do just before it burnt like Sodom. Amen!

L-67 Let's see. If you'll believe. Here, here it is again, right here in the corner. Wait, it's the lady... No. Just a moment. No, it isn't the lady standing there. It's the lady setting down here. That's right, a little

lady setting here. I seen a child, but it's a lady setting down, and she's suffering with hemorrhoids. And she... That's her little girl setting there. She's suffering with asthma. That's THUS SAITH THE LORD. Stand on your feet and accept your healing. Jesus Christ makes you well. Stand up, both of you. If we're strangers to one another, raise up your hands and wave your hands. All right. Go home, honey. It's all over, little girl, you'll be made well.

You believe? Look here, look here, look here, look here. Can't you see that, Brother Jack? Looky here, right here, standing right over this man here. The man's suffering with a hernia. That's right. He's not from this city--from a city called Orange. Right. His name is Mr. Sack. Is that right, sir? If I'm a stranger to you, wave your hands back and forth like this. You were sitting there, saying, "Let it be me, Lord." Is that right? Wave your hand.

O God, how can they fail to see it? I command every sick person in here to stand on your feet and receive your healing in the name of Jesus Christ. Amen. Rise up, don't be afraid. Believe Him with all your heart.

61-0122 - American Legion Hall, Beaumont, TX (Paragraphs: 84 - 95)

L-85 Aren't you glad you're an eagle today? Jehovah Eagle with us... God, Jehovah Eagle, He's with us. I love Him, don't you? Let us bow our heads. (He just said something to me just then.)

How many in here would like to fly away from the old buzzard's roost, get out into Christ and live free in the Spirit? Raise your hands, and say, "Pray for me, Brother Branham." Oh, just look at the hands. "Blessed are they that do hunger and thirst." This might've been an awful rude message, church. It's rude 'cause I have no education. I'm not a--a theologian. Just a little rude ways of how I've watched nature, and know God ordained nature. So He--He's God. He--He--He's still here, He--He knows all things.

Just be silent a moment...?... I--I want to see what He wants me to do. Just be in prayer, "Lord, be merciful to me. I raised my hand. Take my hand and lift me up above the shadows just now."

How great Thou art. How great Thou art. Isn't He wonderful? Just bathe now. The message is cutting and bruising. Just bathe in His sweetness.

Sweetest name on mortal tongue,

Sweetest carol ever sung,

Oh, Jesus, blessed Jesus...?...

L-86 Just pray now, silently in your heart. Let the Holy Spirit soak right into your soul. Say, "Lord, take me as I am." See, there's nothing I can do now. He has to do the rest of it. Just pray. Say, "Father," just pray silently in your heart, the way you want to pray. You that raised your hand, say, "Receive me now, Lord Jesus. I want to be an eagle. I want to fly away in the glory of God, be in His power."

Yes, there is a fountain drawn from Immanuel's veins, where sinners plunged beneath the flood, lose all their guilty stains. Just pray now.

How glorious. Don't you just love to feel that bathing? This is what I'm talking about. I'm just standing here, my toes scooted up, and my hands drawed tight, the Spirit of God moving in the building. Let it sink way down, so people can see it just for a minute.

L-87 Think these thoughts: "Who am I? Do I know I'll live through this day? Where will I go if God takes my life? I know what's truth now."...?...

Just think, the sweetest sight. Keep your eyes closed. I'm just watching something in the building.

See this sacredness, God making His nest now, right down in your heart, bringing in the Word now, saying "You're Jesus Christ the same yesterday, today, and forever," nesting that in your heart. "I'm He that was, which is, and shall come," nesting that in your heart. He's... How sweet Thou art. Do you love Him?

Then in a nobler, sweeter song,

*I'll sing Thy power to save,
When this poor lisping, stammering tongue
Lies silent in the grave.*

[\[Hebrews 13:8\]](#), [\[Revelation 1:4\]](#)

L-88 Now, you that feel Him, and feel that He's nested, and placed some words, and some--something in your heart that you know you can go out of here a better person, feel that you got eagle vitamins in your heart now that'll make you a eagle, slip up your hand real easy to Him. That's right.

"I believe, Lord, You'll make me an eagle by Your grace. I'm not worthy but I'm Your eagle from now on." God bless you. "I can fly. I don't care what... Long as I look at Your great Word here and see You're the same, I believe You're the same. I believe You with all my heart, it's You, Lord." That sweet feeling...

L-89 I just noticed, coming right straight towards me, comes that Angel of the Lord, that Light. I know It was here somewhere. It's near the platform now. I take every soul in here in my charge in the Name of Jesus Christ, for the glory of God. I want you to have faith now to believe. Don't doubt; have faith. Now, raise your head up real easy.

Now, look this way. Jehovah Eagle, His great power... An eaglet is His offspring. Is that right? And the things that a father eagle does, his little eagle son does likewise. Is that right? If Jehovah Eagle, then His son eagle... See what I mean? His daughter eagle, they're all the same. Isn't that right?

I guess there was at least forty or fifty hands or more went up just a few minutes ago for salvation. Before I ask them to stand, the Spirit of the Lord comes into the building just now. I was watching It right back in here somewhere in that section there. It was moving, kept moving that way, and then it moved up across over the platform, went down and went that way. And then I see It disappear back in here, and then come right back up this way again, went right around over the building.

L-90 Now, don't tell me I don't know what I'm talking about. I do. I know what I'm speaking of. It's here. I believe what He meant by that, that He was circling the entire audience. That's right. He--He loves you. He--He wants you. He wants you to serve Him. He--He... You are His; He is yours. He's your Lord, your Saviour.

Now, there's only one thing you can do, and that's believe. That's all. That's the only thing you can do. You believe, and then God confirms your faith by giving you the Holy Ghost.

Abraham believed God, and it was imputed unto him for righteousness. But God gave him the seal of circumcision to confirm his faith. As long as you haven't received the Holy Ghost, you may have faith, that's right, but God hasn't confirmed it yet. And when you're sealed, you're sealed until the day of your redemption. Ephesians 4:30: "Grieve not the Holy Spirit of God whereby you are sealed until the day of your redemption." Isn't that wonderful? Yes. Now, He don't only save, He don't only heal, but He saves.

L-91 I watch that Spirit as It moves. Now, you have to be in a certain condition, surely. All of us wasn't made that way. That's exactly right. It was in the Bible that way. Sure it was. Always. But I was watching Him. Now, It's back again. I'm looking right at It now. There It is again.

Just... You say the right word. Just say the right thing. It's what you say. How many read the book, I guess, it's in tape, where this new ministry... Just, that woman just said the right thing? I said, "Ask anything you wish to now, and see if God will do it. He will give it to you right now. I don't care..."

Said, "What must I ask, Brother Branham?"

I said, "Anything you want." I said, "Here sets a crippled sister. Your father and mother's poor; you haven't got any money; you're a widow. What do you want?"

She said, "Anything?"

I said, "Find out whether it's right or not." That's the new ministry just moving up. I've been standing here for fifteen, twenty minutes waiting for It. See? Just say what you will. He has to tell me first.

I said, "Sister Hattie, just say whatever you want to."

She said, "The greatest desire of my heart is my two teen-age boys there, that they may be saved."

I said, "I give them to you in the Name of Jesus Christ." They fell over her lap, right there. Oh, such things has happened.

L-92 If thou canst believe. This lady setting right here, right out here, praying, she's got a nervous breakdown. No hope for her, they don't think. She's from Mississippi. Right. That you might know, your father's sick too, isn't he? He's a preacher, isn't he? If that's right, raise up your hand. I deliver you in the Name of Jesus Christ from that breakdown. Go, you're healed, Miss Hansen.

I never seen her in my life. Ask her if those things isn't true. Are they true, lady? Wave your hand, if that's right. Are we strangers? Wave your hand. What did she touch? What is it? Oh, my. Same yesterday, today, and forever. "Things that I do, shall you also." Are you believers? [[Hebrews 13:8](#)], [[John 14:12](#)]

L-93 Can't sleep when you go home at night from the church, can you, lady? I see you laying there, tossing around, moving. Last night you had an awful night, didn't you? Right. Do you believe me to be God's prophet, or servant? You do? You believe with all your heart? All right. If you believe like that, what can I do to help you? If I tell you--if I tell you you're delivered, do you believe it? Where it was dark over you, it's turned light. Your name's Miss Hooser. All right, you can go back home and be made well. Jesus Christ...?...

Lady, you setting next to her. You was awful kind to be punching her to make her know that it was her. Wasn't you punching that lady, telling her...? I thought you was telling her about... Well, you got something on your mind, so if you... That's right. You believe God will work the miracle? All right. That alcoholic will be made well, if you'll believe with all your heart. You've been praying for your brother for a long time. You believe with all your heart?

L-94 Now, folks, this is not playing church. This is the power of the Lord God. Here. Here sets an elderly lady, looking over there. She can't understand just exactly what it's all about, this lady setting right back here. There hangs that... Can't... I--I know, no need of asking you that. I'm looking at the Light, hanging right over her.

She's afflicted. She's sick. She's got kidney trouble, heart trouble. She's missing of it... Mrs. Weir, believe with all your heart. God bless you. Rise up on your feet and be healed. Now, if I don't know you, and you don't know me, wave your hand back and forth, so the people will know. Was everything He told you the truth? If that's right, wave... Stand up on your feet so the people will know that that's true. If everything was said true and you and I are strangers.

L-95 Hallelujah. Walk out into the blue and flap your wings. Amen. Hallelujah.

What about it? Are you an eagle? Are you ready to take your flight? If you're ready to take your flight, rise to your feet, and claim your healing, and your salvation, and everything that you have need of. I don't care what's wrong. Come on, eaglets, rise up and fly away this here...?... God's Presence...?... Send Your Spirit and power into...?...

61-0123 - American Legion Hall, Beaumont, TX (Paragraphs: 56 - 83)

L-57 Now, now, the rest of you in here that doesn't have a prayer card, which all the prayer cards are in the line... Now, now, that wants Jesus to heal you raise up your hands, doesn't have prayer cards... Now, I want to quote a Scripture to you. There was a woman... We're going--just going to say, one time a woman that didn't have a prayer card in the Bible, and she said, "I believe that Man, and if I could only touch the hem of his garment I'll be made whole." You know the story? All right. What happened? She pressed through the crowd till, had touched the hem of His garment. Now, did anybody ever see a Palestinian robe? It's way loose and got a underneath garment, keep the dust off the limbs. And a--a Palestinian garment--if she touched the hem of my coat, I wouldn't feel it. If she touched my trouser legs like that, or the cuff of my trousers I would... How about a big garment hanging out like that? So Jesus

turned around and said, "Who touched Me?"

And Peter rebuked Him, said, "Lord, all of them is touching You. Why do You say at a thing like that?"

He said, "But I perceive that I got weak." Virtue went out. Is that right? And what did He do? He looked out over the audience until He found the little woman and told her her blood issue was gone; her faith had saved her. How many knows that? Now, wouldn't you like to touch Him? What... Is it possible that you can touch Him? Is He a High Priest now that could be touched by the feeling of our infirmities? Well then, if He's the same High Priest, how would He act now? Like He did then. Is that right? Now, you touch Him and see if He acts that way. That's the way to do it. Oh, isn't that wonderful, when you bring God Word to a showdown?

L-58 Now, if He stood here with this suit on, and you walked up to Him saying, "O Master, Lord, O Master, I pray that You'll heal me." You know what He'd say? "My child I've already done it. Don't you believe Me?"

You'd say, "Lord, let me see if You got scars in Your hand." Anybody could have scars in their hand. "Let me see if You got scars in Your side." I got them where a horse throwed me. Why I... Sure. Now, I--I got another one over here where I was shot with a gun. Gun went off when I was a kid. Another fellow's gun shot me across the side. But that--that don't mean that you'd be a Messiah, no. But the Life of Messiah would be the Spirit of Messiah in His church. Now, no matter how much He'd put it on me, He's got to put it on you too, 'cause we can't work separately; we got to work together.

Jesus went into a place claiming He was the Messiah and many mighty works He could not do, because of what? Unbelief. He's the same yesterday, today, and forever. If you don't believe Him, there's no way for Him to work. If you will believe Him, He will come right in your flesh, the Messiah will. Amen. He's the same God that's in flesh. You believe it?

L-59 Now, in this prayer line, you all that's in this prayer line, how many's been in a prayer line that's been here at other meetings and seen God how He reveals the secrets and things, raise up your hands, you that's in the prayer line. All right. Now, if I don't say one word to you, just pray, you believe that God will do it? You believe it? Do you believe it, without seeing? I--I--I know what--what you're feeling. I can just feel it. See? I can tell it.

All right, you out there without--let's have the discernment line out here without prayer cards. The ones without prayer cards have the discernment, and let this--these pass through so that you'll see that the Angel of the Lord is here.

L-60 Now, if that Pillar of Fire that was with--was in the burning bush in Moses' time... The Pillar of Fire was in the burning bush in the time of Moses when It was made flesh, how many believes that was Christ? He said, "Before Mos--before Abraham was I AM." See? All right. Now, that Pillar of Fire that was in the wilderness when It was made flesh, we know It did that, didn't It? And now, is He a High Priest tonight that can be touched by the feeling of our infirmities? All right. You just have faith and believe God, and God will--will grant that to you.

Now, every one of you just bow your heads silently and start praying, each one of you. Don't be upset, hysterical, but just believe that Jesus Christ is here. If you have a need of Him, just believe.

Oh, how wonderful, the sympathizing Jesus. Now, I've talked about Him, spoke His Word, will He now fulfill His Word? All right, that's all, got your prayer line going back that way?

I want the discernment to be out there. If God will just grant it once more... All right, raise your heads. Look on me, now just like Peter and John passing the gate called Beautiful; believe me, as His servant. Hold your affliction in your mind and say, "God, I'm suffering with so-and-so; have mercy on me." All of you, don't think that you're past healing. You're not. Just as easy for Him to heal you as it is anybody else; just have faith. I wished I could heal every one of you; I'd do it. I can't do no more than just what I see going on.

L-61 I'm watching the Light. It was here just a second ago. It moved and went this a way and I don't see

It now. It's away from the platform at this time. Yeah, the little lady there with her hand up to her mouth, suffering with that gallbladder trouble, you believe with all your heart, Jesus Christ make you well. Had more faith than you thought you had. "If thou canst believe, all things are possible."

L-62 Brother setting right there, don't fear; you're going to be all right. And if you'll believe with all your heart, that man you're praying for, that that horse fell on, he will wake up, if you'll believe it. You believe it? You believe it? All right, have faith; nothing's impossible.

I want to ask you something, what did he touch? He's forty feet from me. What did he do? He touched the High Priest. His faith moved back and I caught it. Amen. If thou canst believe...

Think God will heal them varicose veins? Wasn't that wonderful?

Little sister, setting over there on the end of the row, you want God to give you a baby, don't you, little lady with the green looking dress on? Have faith in God and you'll embrace your son that you've asked for.

Ask them people. I don't know that woman; I never saw her in my life. She's a stranger to me, if... Are we strangers, lady, ever who that was that was called? If that--we're strangers to one another raise up your hand, yeah; raise up your hand so that the people see. What did they touch? The High priest. Now, do you believe? Now, you touch. You do the same kind of touching. I challenge you in Christ's Name to do it. Now, we'll pray for the sick.

L-63 That strike you? You believe that I am His servant with all your heart? I don't know you. You're a stranger to me, just so the people see whether that people hasn't got prayer cards, or prayer cards it doesn't matter. Now, you know there's some kind of anointing here, is that right? You know that it--it--it ha... Something takes more than a--than a--a--a man to do something like that. It takes God, doesn't it? Yes, it certainly does. You believe that God could tell me what you're standing here for? Which would... You know He could. That's fine. All right. If you'll believe it... I see you're shadowed, yeah, something horrible, and you're shadowed, and that's the reason I looked around and the anointing being on me...

Now, I couldn't take each one of them people down that line, I'd drop off here on this platform. So weak now, see how beads of sweat standing? See? I couldn't do it, because if He felt weakness from one person touching Him, what about now when He has to work back through a sinner saved by grace. See? And that was the anointed God. See? Just His holy virgin borned body that God was working through, made Him weak, what about me a sinner saved by grace? Because He said, "More than this shall you do. The things that I do shall you also, and more than this." It says greater in the King James but...

You say, "What you talking to me for, Brother Branham?" I'm trying to contact your spirit just like He talked to the woman at the well. That's right. I can tell you now, you're suffering with an extreme nervousness; you got heart trouble also. That's right, isn't it? If that's right raise up you hand so the people see it. Now, you believe with all your heart? Why, the same God knows the same thing's the matter with you. See? That just does it.

L-64 I keep feeling that every once in a while somebody's says, "He's guessing that." I'm not guessing that. How could I guess that? Now, don't think those things, 'cause I catch it right here. See? That hinders the rest of the meeting, sure. Let's see if we was guessing it.

You're a fine person. Now, I couldn't have guessed that; I don't know you. I've never seen you; we're perfectly strangers. Is that right? That's a right. All right, sir, that's true. Now, I don't know what I've told you. The only way I know is get that tape. Let me get in contact with your spirit again. See, you're a woman, I'm a man. That's the same way it was at the gate--at the well at Samaria. But we, being Christians (See?), and the Spirit of God between us, we're brothers and sisters. Then there's a God of heaven here trying to work through me just like this--this thing. It--it you don't know what to say; it can't say nothing. Neither could I tell you. I have to speak through this to make a voice go through it. Well, He has to speak through me to tell me what's wrong. You see it, audience? See, see?

L-65 Now, I'm just yielding myself, I just have a gift from God to yield myself. I don't know what He's

going to say. If He can tell you what has been, surely you could believe if He'd tell you what will be. Now, somebody say, "Well, let's see if He will tell you what has been." God have mercy so the people can see and understand, my prayer. I just want... I don't even dig up your life, but I just want to see if God will tell it, so that the people see that something that... I won't ask Him no more, if He--in this meeting tonight, if He'd just let it happen.

L-66 Yes, I see it now. I see her shaking, walking to a window. She gets real nervous, late of a evening especially, right after work. And she's got heart trouble. That's exac... Oh, my. There's something else, yes, here's something has been. It's an operation of some sort, a cancer in the breast. And you're afraid that part of it's still there. That's right. Yes, on your side. See, I was pointing to my left side. Certainly, yes. And you've had some more trouble; you've just recently lost your husband. That's right. Is that what has been? You believe God can tell me who you are, the same that He knowed who Simon Peter was and so forth? Mrs. Babb, now, go believing, it'll all be over. Amen.

L-67 Now, if I just lay hands... There's Something anointing here, isn't there? If I lay hands on you, the Bible said "These signs shall follow them that believe; if they lay hands on the sick, they shall recover." Our heavenly Father, I lay hands upon my sister and ask, while this anointing is here for her healing. Amen. Go, believing now with all your heart.

If I lay hands upon you, do you believe that God will heal you and make you well? The whole church is praying for you. In the Name of Jesus Christ may he be healed. Just have faith and go believing with all your heart.

Now, you know I know what's wrong with you, but I don't have to say it, do I? Just as long as I tell you your heart... Oh, go ahead, be I done said it...?...

Now, you know I know what's wrong with you, is that right? If I tell you, would it help you? Which would be greatest for me to lay hands on you or tell you what's wrong with you? Tell you what's wrong with you. All right. You're bothered with nervousness, now take off the platform and be made well.

Don't know whether to shake out of it or not, you go ahead and stop the prayer line, see if it don't. There it is again.

L-68 You believe your back trouble be all right? Go, believing with all your heart. Now, you know God could tell me what was wrong with you, and if He would, would it help you? All right. Get rid of that old asthma, go on believing with all your heart. Can't get out of it somehow. Let's pray for it.

Do you believe that God will heal you? And your heart will be all right and you'll get well. All right. Go, believing with all your heart...?...

Now, that's all right. Now, just pray and believe with all your heart. Now, He knows what's wrong with the people. Now, are you believing? Now, just have faith; don't doubt. Now, if each one of you will believe, and just accept your healing, reverently where you're at, just accept your healing... Now, be real reverent.

L-69 It's again. I don't know you, don't know nothing about you. I guess we never seen one another in our lives; this is our first time meeting. If that's right raise up your hand. Just another place like our Lord met a woman at the well one time, talked to her. He found out what her trouble was, and then He told her her trouble. And she said He was the Messiah. If He could tell you the same thing through me, would you believe that He's still Messiah? You believe it with all your heart? I just wanted to ask you that for a reason. You've had a accident in your leg, had to take a kneecap off. That's right. And then besides that, you've got a hernia that bothers you, and you're extremely nervous. And the way--the greatest thing you need is to give your life to Christ, and from a sinner become a Christian. Will you accept Him as your Saviour now? You do accept Him as your Saviour? I pronounce you to be healed in the Name of Jesus Christ. Go and sin no more.

L-70 Let us say, "Praise be to God" everyone, let's just worship Him a while. Father God, in Jesus' Name,

heal my sister.

Father God, as she passes by may she be healed, in Jesus' Name.

If it keeps on you'll have a crutch after while, but you believe that God will take it away from you? And the arthritis will leave you and be gone. In the Name of the Lord Jesus, may she be healed...?... Yes, ma'am, God bless you, sister. Thank you, sister.

Our heavenly Father, I lay hands upon this dear woman. In the Name of Jesus Christ heal her, Father. Amen.

Heavenly Father, as I bow my heart to You, I pray for my brother. As he passes by may he come and under the shadows of the cross and be healed in Jesus' Name.

Now, if I would tell you what was wrong with you, would it help you? Because you're trying to go blind, but that's not what's a doing this. Diabetes is what's a doing it. And if you'll believe with all your heart, it'll leave you. Will you believe? Then in the Name of Jesus Christ go and be made well. Amen. That's it...?... Father God, in the Name of Jesus Christ may she be healed. Amen. Have faith.

Heavenly Father, I pray in Jesus' Name that You'll heal...?...

L-71 Now, don't--don't think it's 'cause I don't tell them that... That's kinda hard for me to get away from it. See? But I--I know that it's--it's all right. God's doing it just the same. See? Don't matter. See? I can't... If you do the whole line then--I--I just told Brother Jack to watch if it kept on going on that I'd have to leave the line, 'cause it's just spinning to me now. How many understands that Scripturally? Why sure, see you can't hardly...

All right, do you believe me to be His prophet, or His servant, I mean to say. That stumbles some people. I'm not a prophet; I'm just His servant. See? You believe with all your heart? Do you believe that he will get all right? Huh? He's real nervous, isn't he? He's got heart trouble, high blood pressure, and he drinks. Go, believe, that's your husband I'm talking about, get all right. Have faith in God.

L-72 Our heavenly Father, I pray that You'll heal our sister, in Jesus' Name. Huh?

Go eat your supper; you was healed setting there in the chair; your stomach trouble's left you.

O God, I pray God You'll heal this...?... in Jesus' Name. Amen.

God, I pray that You'll heal our sister, in Jesus' Name.

God, lay hands upon this little one, in the Name of Jesus Christ, may it... Don't fear now, it be all right.

Father God, I pray that You'll heal her arthritis and make her well, and the nervousness, and I pray that she'll be all right in Jesus' Name.

Father, I pray that You'll heal her in Jesus Christ' Name. May she go and be made well.

God, I pray that You'll heal our brother and make him well as I lay hands on him, in Jesus' Name. Amen.

God bless you, sir.

Our heavenly Father, I lay hands upon our sister. In the Name of Jesus Christ may she go and be healed. Amen. Have faith now; don't doubt.

Our Father, I pray that You'll heal our sister in the Name of Jesus Christ.

Passing by, like--don't come by after me, but under the cross. In the Name of the Lord Jesus, may she be healed. Amen.

Oh, don't doubt. In Jesus' Name, Father, I pray that You'll grant...?... God bless you.

Our heavenly Father, I pray that You'll heal our sister in the Name of Jesus Christ. Amen. God bless you, sister. You believe that? Have a good courage. See?

Now, you know I know what was wrong, but go believing it anyhow. See...?...

L-73 You want me to say... If I will tell you what's on your heart, will you believe me to be His prophet? You will? One thing's wrong with you; you're bothered with nervousness. That's right. You got a nervous stomach that cause you trouble. That's what you what you want to be pray for, isn't that right? You've had it all your life. I tell you; you got a burden on your heart. Can God tell me what your burden is? The salvation of your father and mother. That's THUS SAITH THE LORD.

I know you, sister. O Lord God, while the anointing of the Holy Spirit this woman's been so kind to me. I pray that You'll give her her desire tonight. Grant all these things that she's asked, Father, and especially for the family, I pray in Jesus' Name. Amen. You know what I mean. All right.

L-74 Our Father Who art in heaven, hallowed by Thy Name, grant the healing of our--our precious brother in Christ's Name.

Come, believing; don't doubt. God bless you, brother, have faith now. In the Name of Jesus Christ I lay hands upon him while the anointing of the Holy Spirit is present, in Jesus' Name may he be healed.

Our Father, as we feel the vibrations of this fine woman, I pray Father that You'll heal her in the Name of Jesus Christ. Amen.

Come, believing now; don't doubt. Sister, just look at the prayers that's going up for you; look at this fine bunch of ministers here. This is the church of the living God. See? Our Father, we pray that You'll heal her as by faith we lay our hands upon her in confirmation of Jesus' own words that said, "These signs shall follow them that believe." May she be healed in Jesus' Name. Amen. "The prayer of faith shall save the sick and God shall raise them up."

L-75 Heavenly Father, with the effectual fervent prayer of the righteous, and we're not righteous, but we accept the righteousness of our Lord. I pray this prayer for her and present it to You in her behalf, in the Name of Jesus Christ. Amen. God bless you, sister; go, believing now.

Most dangerous disease there is, heart trouble, but God is a Healer of heart trouble. Isn't that right? Believe... Our heavenly Father, I pray that You'll bless our brother and heal him. Grant it, Lord, as I lay hands upon him in Jesus Christ's Name. Amen. Bless you, brother.

Our Father Who art in heaven, Hallowed be Thy Name, I pray, Father, that You'll grant the healing of my brother. Amen.

Father God, as I lay hands upon the little woman, I pray that in the Name of Jesus Christ, that You'll heal her and make her every whit whole. Amen. Don't doubt; just come believing.

Lord Jesus, tenderly and mercifully, Lord, she brings the little ones and I lay my hands upon them and pronounce the blessings of God. May it be healed in Jesus' Name. Amen. God bless you, sister.

Our heavenly Father, as this humble little woman moves up here carrying the Word of God over her heart, I pray, Lord, It'll go deep in there, and she will have faith to believe in Christ's Name. Amen.

Our heavenly Father, we ask the mercies of God upon this, our sister. May the power of God heal her and make her well in Jesus Christ's Name.

L-76 What is that? All right. I'm going to ask these people setting here who's--although they haven't got prayer cards, but they're in these wheelchairs, would you all bow your heads and pray with me just a moment, everyone, while I go and lay hands on them. [Brother Branham prays for those in wheelchairs and with only a few words distinguishable from time to time--Ed.]

Now, to you that was here without cards... And I prayed for these people in the wheelchairs, and they didn't have cards either. But they have such a hard time getting to meetings. I... Did I pray for this little guy here? God bless you, brother. [Brother Branham prays for the boy with only a few words distinguishable--Ed.] Our heavenly Father...?...

We used to sing the little song,

Pray, pray, the only way to reach higher grounds;

Pray, pray, the prayer of faith will bring God's blessings down.

That right? Are you all believing in God?...?...

L-77 Excuse me, I've let the prayer lines over. Just this one? All right. Is this--is this the other lady? All right. Now, if you'll... How many believes? This lady, I don't know you; I've never seen you as far as I know. We're strangers to one another. Now, every person out here in the building, let this woman be an example to you. Here we are; just walk right this way, sister. I don't know this woman; I have never

seen her. We're total strangers to one another so far as I know. But if the Holy Spirit will tell me something that's wrong with her, or what she's here for... It might be she's sick. Maybe she's here for somebody else. Maybe she's here for domestic trouble, financial trouble, church affairs, spiritual condition. I don't know. That's true. I don't know the lady; God does.

But now that you people might always know that Jesus Christ in your Presence, making infallible confirmation of His Word... Let me talk to the woman just a moment while I have myself yielded to the Spirit.

L-78 Now, you that I prayed for and laid hands on these wheelchairs, if you haven't got enough faith to rise up and walk, don't let that bother you; you just have a little mustard seed, and hold right on to it, and just keep moving you right on. See? Now, Abraham was given a promise of God, and for twenty-five years he waited for that promise to be fulfilled. Is that right? He never staggered at the promise of God through unbelief, but was strong giving praise to God. Now, we know that God still remains God.

L-79 Now, if this woman here had walked up in the Presence of the Lord Jesus Christ tonight. Let's say she is sick, and she walked up in the Presence of the Lord Jesus, and she... She is in the Presence of the Lord Jesus, not you, not me, but the Spirit that's here. See? He's the Vine; we're the branches. Is that right? How many know the vine doesn't bear fruit? The branches bears the fruit as it's energized by the vine. Is that right? Now, watch close and listen. Now, if she stood here in the Presence of the Lord Jesus...

L-80 Something happened by that boy there then. I tell you what I want you to do. I want you to take a string and tie it around that water head (See?) tonight. And tie a knot in it. And when on the last night of the meeting, day after tomorrow night you... Tomorrow night you tie another knot, the next night another knot. And bring me that string and lay it up here on this here prove that God's on that boy. And you see how much that head shrinks between now and then. That's that you might know.

Now, the reason I done that is to help her faith. See? You got to have something for your faith. See? If you won't to doubt, it'll take place. Now, you watch, I want you to tie your string, make a little knot in it. Then put on the same string, tomorrow night, after the service, tie another little knot, how much it shrinks, then on the last night tie your knot and...?... the church, then lay it up here on the platform, cut it off and show me how much it shrank between now and then. See?

L-81 Now, you see, friends... You say, "What are you doing, Brother Branham?" I'm trying to get myself back to a place just a little bit (See?), so I can talk to you just a moment. I look out there and just see, like you all are one big milky group now. See? But I'm trying to let you see that your brother, I your brother, has not one thing in earth to do with this. It's God confirming His Word, His promise, that He said He would do. Now, don't be afraid of it. If I could hear His voice speak tonight He'd say this, "Be of a good cheer; it is I; be not afraid." For He's the same yesterday, that's what He did yesterday, is today, will be forever. You believe that?

Now, see, so that you'll know that it ain't prayer cards or something somebody or--in the ministerial breakfast, and for three nights now, three services we haven't had a prayer card. And has He done in other services without prayer cards, just like He done tonight with prayer cards. Prayer cards only line them up, so we won't have a fight over one another's place. See? Too many in one place...

L-82 Now, sister, excuse me; I keep forgetting about it. I--not beside myself, but I hope you forgive me for that; I didn't mean you stand here and make a gazing stock from you. Now, just a... We... Did you have a prayer card or did they just put you up here? You had a prayer card? All right. 'Cause I thought if you was able to walk around like that, wouldn't be right with...?... because you could be a...?... to them. But you--they gave you a prayer card, you was in line, all right.

Now, if the Lord Jesus--like here a woman and a man again, if He can tell me something that, like you're here for, would you believe it? You're here for me to pray for your eyes, got eye trouble. If that's right,

raise up your hand. Well, you say, "Sure, she's got on glasses." All right, let's just take that out of the way. Now, you look at me and believe. Do you believe... Now, you're--just let the people know. Now, right now you feel a real sweet, warm Spirit. If that's right, raise up your hands, 'cause you are a Christian.

Now, did you ever see a picture of that Light, that Pillar of Light in the picture? We got it here, it's been taken all over the world. We got them right here at the building. Now, how many ever seen it? All right, that Light's hanging between me and the woman right now. I'm looking right at It.

Now, you think He could heal your husband? He's here too. If I can tell you what's wrong with your husband, will you believe me to be His servant? He's got skin cancer on the face. That's right, isn't it? Uh-huh. All right. And you got some other loved one you're praying for. That's a daughter, loved one; they're not here, got trouble with the ear. They're not even in this country. It's in Georgia. That right? You're not from this city; you're from a city called J-a--Jasper. That's right. Your name's Mrs. Kemming. That's--that's right. Go home and be made well in Jesus Christ's Name.

L-83 Lady?... How many believes? Jesus said, "These signs shall follow them that believe." Is that right? Lay your hands on one another. "If they lay hands..." Don't pray for yourself now; pray for the person you got... Way back in the back there, lay your hands on one another. Now, pray the prayer of faith.

Our heavenly Father, I pray that You'll help us. Satan, you've lost your power. You're exposed, Satan, come out of them in the Name...?...
